SITUATION SUMMARY

Cal EOC Incident – 2014 Drought

- SOC / Inland REOC remains activated in support of 2014 Drought

Major Construction U.S. Highway 50, Sacramento, Sacramento County

- Major construction began April 22, 2014 on a section of U.S. Highway 50 in Sacramento between 18th and 24th Streets.
- Westbound Phase 1 and 2: May 27 – June 25
- Westbound Phase 1 will be completed early
- Westbound Phase 2 construction will begin tonight at 2100 hours
- Westbound Phase 2 will still take 15 days to complete
- Please see “Fix 50” slides for additional information, including alternate routes. [Here](#)

Significant Weather

- An Excessive Heat Watch will be in effect from Sunday morning 06/08/14 through Monday evening 06/09/14 for portions of Inyo and San Bernardino Counties below 4000 feet.

Northern California

San Francisco Municipal Transportation Agency (SFMTA) Delays, San Francisco County

- SFTMA reports all service, including cable cars, are returning to their regular routes this morning. All routes and lines, including the cable car lines and the F Market & Wharves historic streetcar line, will operate following their regular routes. Muni service is expected to provide approximately 90 percent of this morning's service based on pre-service data.

SITUATION SUMMARY

Southern California

Military Aircraft Crash in Imperial County – New/Final

Background: On 06/04/14 at approximately 1620 hours a military jet (AV-8B Harrier) stationed at Marine Corps Air Station Yuma, Arizona crashed into a residential neighborhood. The pilot ejected safely and was transported to a local hospital for evaluation. There were no reports of injuries.

Per the Cal OES Fire and Southern Region Duty Officers: one residential structure was destroyed and 2 residential structures damaged with no fatalities as a result of the crash. Adjacent to the crash site there are six (06) homes without any utility service. A total of 22 people have been displaced and are in need of temporary housing. The Marine Corps has taken over the incident and full responsibility to assist w/housing & health issues. The American Red Cross is on scene with canteen setup for first responders & community. The investigation is ongoing to determine the cause of the crash.

California OES Weekly Weather Threat Briefing

06/05 – 06/11

Thursday

- **Gale warning for NW Coast**
- **Winds...North 20-30 KT gusts up to 40 KT**

Friday-Sunday

- **Gale warning for NW Coast continues**
- **Hot in the Sacramento and San Joaquin Valleys, and excessive heat in the Deserts Saturday and Sunday**

Monday-Wednesday

- **Except for the Coast, enhanced fire weather conditions from gusty winds and isolated thunderstorms over the mountains**

*****California OES Weekly Weather Threat Briefing*** Attached**

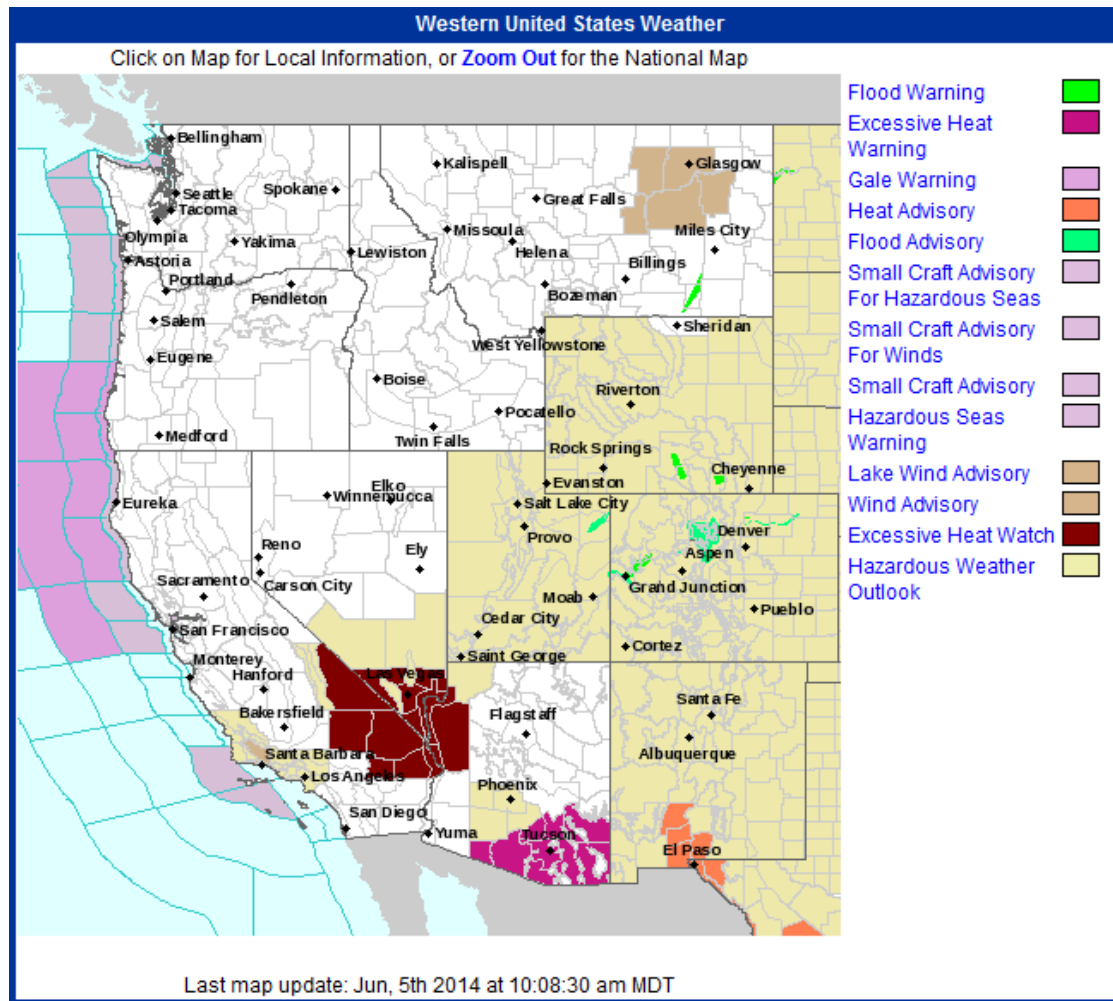

California OES Impact Threat Matrix

June 5, 2014 – June 11, 2014

DAY/THREAT	THU	FRI	SAT	SUN	MON	TUE	WED

“Fix 50” Information

Major Construction U.S. Highway 50, Sacramento, Sacramento County

- Major construction is scheduled on a section of U.S. Highway 50 in Sacramento between 18th and 24th Streets.

2014 Project Dates

Westbound Highway 50: May 27 – June 25

Phase 1: May 27 - Jun 10

- The 3 inside lanes will be closed. 2 - 3 outside lanes will remain open.
- No ramps will be closed during the first westbound phase. However, the connector ramp from Hwy 99 North to US-50 West will merge down to one lane to increase safety for travelers merging onto US-50 West into the construction area.
- **Westbound Phase 1 will finish early - Phase 2 to begin overnight on Thursday 6/5/14**

Phase 2: June 5 - June 25

- 2-3 outside lanes will be closed. Inside 3 lanes will remain open.
- Ramp closures:
 - Connector ramp from westbound Business 80 (Capitol City Freeway) to US-50 West. Hornet Drive near Sacramento State is the alternate route.
 - Reduced lanes on connector ramp from Hwy 99 North to US-50 West (will merge down to one lane).
 - 16th Street off-ramp.

“Fix 50” Information (Cont.)

Major Construction U.S. Highway 50, Sacramento, Sacramento County

Alternate Routes:

During work in the WESTBOUND direction (May 27 – June 25):

If traveling from Rancho Cordova/Folsom to Downtown Sacramento:

- Use US-50 West to Business-80 North to “N” or “H” Street off-ramps
- Do not stay on US-50 West after Business-80 interchange

If traveling from Elk Grove/Galt to Downtown Sacramento:

- Use I-5 North to “J” Street off ramp
- Do not take Freeway-99 North to US-50 Westbound

If traveling from Rancho Cordova/Folsom to Natomas/Davis:

- Use US-50 West to Business-80 North to Watt Ave North, to I-80 West.
- Do not use US-50 West to Davis or US-50 West to I-5 North to Natomas.

If traveling on Business 80 West during Phase 2 (Closed connector ramp from Business-80 West to US-50 West):

- Get on US 50-E and use Hornet Drive (Howe/Power Inn exit) to turn around onto US-50 West
- For WB Business 80 to downtown, use Highway 160

***Motorists traveling to the Lake Tahoe area can avoid the project area congestion by taking I-80 E

Major Construction U.S. Highway 50, Sacramento, Sacramento County

Fix50 Project Update: Thursday, June 5

It was a productive day on the Fix50 project and everything is on schedule with the work for Westbound Phase 1. Here are some updates:

Progress over the last 24 hours:

- Continued work on column casings work underneath project area
- Continued grinding and profiling

Over the next 24 hours, crews will:

- Complete Grinding and profiling
- Complete Skid Test
- Complete Striping
- Complete Sign pedestal pour
- Complete Sign placement
- Close westbound Business 80 connector ramp to westbound Hwy 50 and 16th Street off ramp
- Complete westbound traffic switch from interior lanes to outer lanes for Phase 2

In the coming week:

- Grinding and drilling outer lanes
- Begin demolition work of exterior barrier wall

Traffic:

- Expect major traffic delays during the crossover lane change for westbound Phase 2.
- Traffic delays through the construction zone continue to average 20-25 minutes during peak commute hours and 10-15 minutes during non peak commute hours.
- The northbound State Highway 99 connector ramp to westbound U.S. Highway 50 continues to experience delays during peak and non peak hours.

CAL OES ACTIVATIONS

Cal EOC Incident – 2014 Drought

- The SOC is activated at Level 2 in support of the Drought State of Emergency from 0800-1700 hours daily.
- The Inland REOC is activated at Level 2 from 0800-1700 Monday through Friday or as needed.
- The Southern REOC is activated at Level 1.
- The Santa Barbara County OA EOC is activated at Level 2 to be handled by the duty officer for the purpose of monitoring activities and gaining situational awareness. The operational period is 0800-1700 hours.

Cal EOC Incident – 2014 Drought

Situational Summary

On January 17, 2014 Governor Edmund G. Brown proclaimed a State of Emergency and directed state officials to take all necessary actions to prepare for drought conditions. The State Operation Center (SOC) is activated to implement objectives in support of the Governor's priorities. The lack of winter rain and snowfall has resulted in extremely dry conditions in many parts of the State. Reservoir levels are down significantly from where they should be on average for this time of year. If conditions continue without substantial rainfall, severe impacts to municipal water supplies, agriculture (plants and livestock) and firefighting capabilities are likely in store for the State over the next few months. Negative economic impacts will also result.

On April 25, 2014 Governor Brown released an Executive Order on Friday enabling several urgent actions to be taken as the drought persists into the state's traditional dry season.

**** As this rainy season comes to an end, it is highly unlikely that precipitation totals will increase significantly over the coming months. This winter's below average rain and snowfall worsens conditions in this third straight dry year.****

Situational Summary (Cont.)

- The Taskforce continues to meet regularly to take actions that conserve water and coordinate state response to the drought.
- The final manual snowpack survey of the season was conducted on Thursday (May 1) and showed California snowpack at 18% of normal. A more recent update using automated devices shows snowpack at **3%** of normal as of May 30.
- DWR has announced that water essential for health and safety will be delivered through the state water project. The current State Water Project Allocation is 5%.
- Cal OES continues to gather drought-related costs from state agencies and local governments.

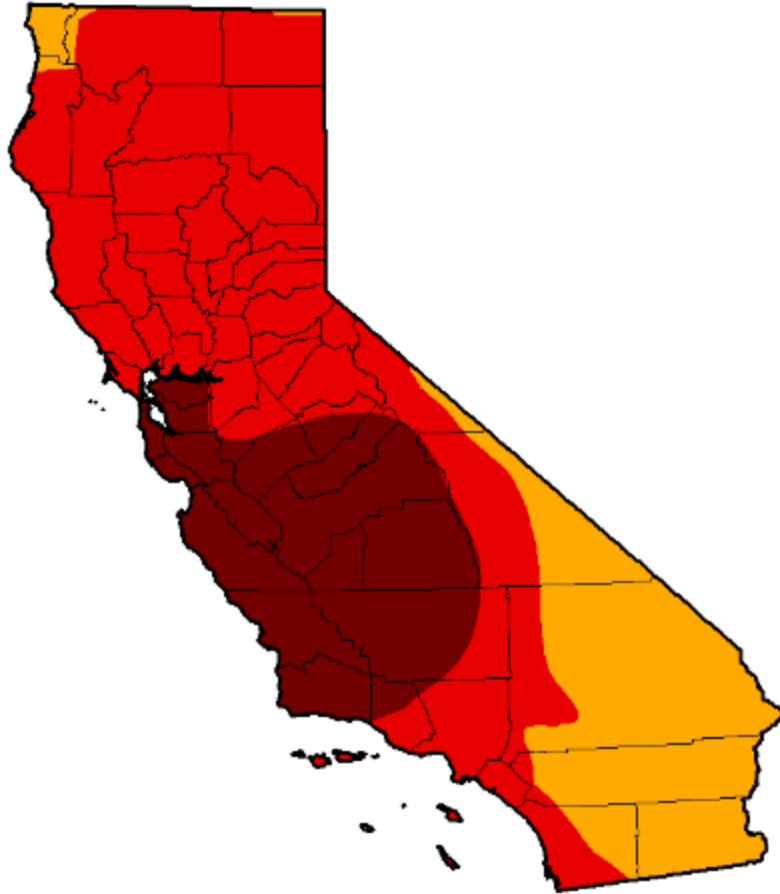

U.S. Drought Monitor

California

May 27, 2014
 (Released Thursday May 29, 2014)
 Valid 8 a.m. EDT

Drought Condition (Percent Area):
